

# NIKKI'S SPEAKING TOPICS

## WE CAN TRUST THE BIBLE

Is there evidence that supports the trustworthiness of the Bible? From the reliability of its ancient manuscripts to the consistency of its message across centuries, the Bible continues to stand the test of time. The goal of this session is to give confidence in that the Bible is the Word of God and the source of wisdom and truth.

## WHAT IS BIBLICAL INERRANCY?

The word *inerrancy* is often used in theological discussions, but what does it mean? This session will explore what it means to say the Bible is inerrant from a historical Christian perspective, including the concept of divine inspiration. The goal is to gain an understanding of the reliability and relevance of Scripture in today's world.

## THE PROBLEMS WITH DENYING BIBLICAL INERRANCY

This session provides a summary definition of *inerrancy* along with the presenting several problems that arise when we deny the inerrancy of Scripture. The goal of this session is to gain confidence in the reliability and relevance of Scripture in today's world.

## WHAT IS TEXTUAL CRITICISM

There are always major objections to the reliability and sustainability of the biblical translations we have today. This session will give a brief explanation of the biblical translation process and the criticism used in all ancient texts (even those outside of Scripture) to navigate a path to the original manuscripts.
